About Our Host

Florida Sheriff's Youth Ranch

A Sanctuary of Hope For Florida's Future

In 1957, a group of Florida Sheriffs got together to discuss a need they saw in their communities. Young boys all over the state were getting into trouble with law enforcement. It was becoming apparent that these youth had no one in their lives to offer love, respect, and stability.

With \$5,000 and a big dream, this group began a risky endeavor that would grow into something truly incredible: a home for boys who needed a family and community of supporters to help them grow into lawful, resilient and productive citizens.

Over 65 years later, the Youth Ranches is a statewide network of residential campuses and summer camps offering nationally recognized services to at-risk youth.

Mission

The mission of the Florida Sheriffs Youth Ranches is to prevent delinquency and develop lawful, resilient and productive citizens.

Vision

To develop young men and women who, because of the Florida Sheriffs Youth Ranches, are able to face the future with a sense of direction, ability and hope.

Hear From One of Our Families

In August of 2012, Suwannee County resident Kamrie Mitchell went missing under unusual circumstances. The daughter of Stefani Warden, Kamri had been on track to get her life in order and had plans to finish college. In September, her car was located in a nearly isolated area of the county, submerged in floodwaters from Tropical Storm Debby.

Kamrie Mitchell

Since her disappearance in 2012, Stefani has made it her mission to find her daughter and bring her home.

Stefani Warden

Kamrie's case is one of over a dozen missing persons cases currently open within our region and efforts are underway by the Suwannee County Sheriff's Office to solve her case, thanks to the coordinated efforts of Stefani, Suwannee Valley Unsolved, and SCSO.
